Last day to register for
Nov. 2nd vote is Mon., Oct. 18th

To the Editor:

The last day to register to vote in the Tuesday, November 2nd, election is Monday, October 18th.

Our country's future direction is always in the hands of the voters in every election.

The outcome of the election is decided on Election Day.

Today's challenge for voters is to not only be informed and vote, but to reject a cynical media that conspires to dictate a narrow discussion of meaningless issues and to top it off with hypothetical predictions of who will win.

In our democracy, the only thing we have to fear is hypocritical shameless politicians, TV pundits and polls, and an apathetic electorate.

The result of the election is up to us on Election Day. Each voter.

We vote to create the democracy we want, the country we desire.

Don't wait until the last day to register to vote.

Register to vote before the deadline Monday, October 18th.

Vote on Tuesday, November 2nd.

The choice is ours, not the pollsters'.
